Abstract Submission

- Abstracts may be submitted for oral or poster presentation. The choice of format will be made by the scientific program committee. Notification of format will be provided to the presenter when the program has been finalized.
- Early Career Researchers (ECR)* may submit abstracts for oral or poster presentation.
- **Each participant is allowed to present only ONE abstract** but can be listed as co-authors on multiple abstracts.
- Tables must be saved and uploaded as JPEG files. Other file types (e.g. images) cannot be accepted. Please note that these may be resized to fit in the final printed material.
- Abstracts submitted via fax will not be accepted.
- Submission of an abstract acknowledges your acceptance for the abstract to be published in the official Meeting publications.
- Abstracts must be submitted before October 13, 2022 (Abstract Submission Deadline)
- Presenting authors of abstracts must be registered participants.
- **Invited speakers must NOT submit their abstract(s) via the regular abstract submission system. Another link to another system is provided.**
- Abstracts must be original and must not be or have been published or presented at any other meeting prior to the ISER Meeting.
- Abstracts must be submitted in English.
- Abstracts must be received by the announced deadline. Abstracts received after the deadline will not be considered.
- The presenting author is required to ensure that all co-authors are aware of the content of the abstract before submission to the Secretariat.

*Early Career Researchers should refer to the ECR Award application section of the website for further information on criteria for this award.

Proof of ECR status should be uploaded during the abstract submission process. If you experience problems with the upload, please send proof of status to the Program Content and Development Department at the ISER Meeting Secretariat: iser2023-abstracts@kit-group.org

Abstract Preparation

Please note that abstracts may only be submitted in ENGLISH.
Before you begin, please prepare the following information:

1. Presenting author's contact details

- Email address
- Full postal address
- Daytime and evening phone number

2. Author and co-authors' details

- Full first and last name(s).
- Authors' names must be in upper and lower case (Smith, J.).
- Affiliation details: department, institution / hospital, city, state (if relevant), country

3. Abstract title - limited to **20 words in Title Case**

4. Abstract text – limited to **2500 characters**, including acknowledgements. Abstracts exceeding this limit will be rejected at submission (Please Note: word count is affected when tables are included). We recommend using word-processing software (for example Microsoft Word) for editing your abstract and counting the number of words.

5. Abstract text should be in narrative style.

6. Use only standard abbreviations. Place special or unusual abbreviations in parentheses after the full word appears the first time.

7. Use generic names of drugs. Express numbers as numerals.

8. Abstract Topic – abstracts must be allocated to a specific topic for the scientific program. You will need to select the topic most suited to your abstract. They are:

9. Tables – A maximum of one table of up to 10 rows x 10 columns can be included per abstract

10. Graphs and images are not allowed.

11. Draft abstracts – The submission form at the link below allows you to store your abstract as a draft in order to make changes. Please note that abstracts must be SUBMITTED before the deadline (June 15, 2020) in order to be reviewed for inclusion in the scientific program.

Rules for Submission

The presenting author is expected to attend the conference and present the poster or oral presentation. The presenting author is required to ensure that all co-authors are aware of the content of the abstract before submission.

Before submitting the abstract, the Abstract Submitter will be required to confirm the following:

1. I confirm that I previewed this abstract and that all information is correct. I accept that the content of this abstract cannot be modified or corrected after final submission and I am aware that it will be published exactly as submitted.

2. Submission of the abstract constitutes my consent to publication (e.g. meeting website, programs, other promotions, etc.)

3. The Abstract Submitter warrants and represents that he/she is the sole owner or has the rights of all the information and content ("Content") provided to the XXIII Biennial Meeting of the International Society for Eye Research and K.I.T. Group (Hereafter: "The Organizers"). The publication of the abstract does not infringe any third-party rights including, but not limited to, intellectual property rights. The Abstract Submitter grants the Organizers a royalty-free, perpetual, irrevocable nonexclusive license to use, reproduce, publish, translate, distribute, and display the content.

4. The Organizers reserve the right to remove from any publication an abstract which does not comply with the above.

5. I herewith confirm that the contact details saved with the abstract are those of the corresponding author, who will be notified about the status of the abstract. The corresponding author is responsible for informing the other authors about the status of the abstract.

Abstract Selection

A panel of scientific program organizers will review abstracts and results will be communicated to the corresponding submitting author.
