

Nursing Award Guidelines

Procedure

All nurses are eligible. Proof of nursing professional status is required. Please do not apply for an ECFS 2020 Travel Grant and Young Investigator Award if you are applying for these awards.

Criteria for Nursing Travel Grant

You should originate and live in a country with less financial means, (East Europe, Middle East) with no access to other funds, and must have several years of experience in the CF field. A proper Motivational letter is required.

Please indicate your relevant work experience and qualifications under the “Personal Information” section.

Please provide references for your work and write a short motivational letter supporting your application under “Description of areas of interest” and “Any other relevant information”.

Criteria for Nurse of the Year

Nurses can nominate a colleague / nurse who has done something special within CF - such as best practice work, pioneer work to CF patients, or a nurse who has made a special effort in the CF-clinic. Please put your own name under “Personal Information” in the “First Name” Last Name” and “Date of Birth” section and then list the Qualifications of the nominated Nurse in “Qualifications”, “Other Professional Qualifications”, and “Summary of Relevant Experiences”.

This award should acknowledge a person who has made a special effort within CF, which can inspire others to think innovatively and possibly inspire to a new research project or change clinical practice.

In the application form, please provide references who can support this nomination and explain why they should be nominated in the field “Description of Areas of Interest” and “Any other relevant Information.”

The Nurse of the Year should have:

- > A new way of working / collaborating with CF patients
- > A simple thing that changes something for CF patients
- > A nurse who is at the forefront and challenges clinical practice
- > Clinical work seeking more research
- > A method / approach that can be used in another CF center all over Europe / World
- > The nominated nurse has 3 years of experience working with CF patients

Please note there will also be a Best Poster Award, that will be assessed based on your submitted poster and awarded onsite.

Criteria for Poster Award:

Creativity, content, lay out, originality, interesting to read. You will be required to submit your ePoster to the Nursing Committee in early May/June to be considered.
