

Guidelines for ePoster upload and presentation

ePoster display

At EORNA 2024 there will be no printed posters.

All ePosters will be displayed on screens (as in the example below) in the registration area throughout the duration of the Congress.

Opening times of the ePoster area

Thursday, 16 May	16:00 – 20:30
Friday, 17 May	08:00 – 18:00
Saturday, 18 May	08:00 – 18:00

ePoster specification and upload

- You must upload your ePoster at this link: <https://congreso360.com/event/58>
 - Each ePoster is assigned unique values (poster code, poster order) that were sent to you via email. Until you insert these exact values, it will not be possible to complete the other fields and the upload.
 - **Please make sure that you add the title of the abstract in the field 'title' (not the abstract number).**
- File formats allowed are PDF, PNG, PPT.
- **The file must be one single page, in portrait orientation (vertical), horizontal orientation is not permitted.** The correct format must be vertical in 16:9 widescreen with the final dimensions of 1080x1920.
- The ePoster images cannot contain any video or link to them.
- You can upload a different version of your ePoster until **10 April 2024**.

ePoster guided sessions

Selected ePosters are scheduled to be presented in two guided ePoster sessions, on [Friday 17 May](#) and on [Saturday 18 May, 12:15-13:00](#).

During the guided ePoster sessions, poster presenters will give a 3 minute "Speedy Talk" about their project. Once completed, the poster presenters will have an opportunity to talk with attendees after the session. Kindly refer to the [programme](#) for more details.

General information

- The ePosters will not be shared after the Congress.
- At least one author must be registered by **10 April 2024** for your accepted abstract to be included in the EORNA 2024 publication.
- Should you wish to change the presenting author, withdraw your abstract, or ask a related question, please contact the EORNA 2024 Scientific Secretariat at eorna-scientific@kit-group.org
