The information on all websites within the IFLA.org domain is intended for members of IFLA and those interested in library and information services. All concerned with the compilation of the information, including IFLA staff and members of our professional units, take all reasonable care in producing these web pages, which we believe were accurate at the time of initial publication or last modification. However, information in this field changes rapidly and IFLA cannot accept responsibility for any errors or omissions.

The text of IFLA documents have been translated into a number of official IFLA languages, and other languages. Differences from the original text may occur. Translations are provided for reference purposes only.

IFLA does not endorse the opinions contained in blogs or social media sites. The information contained in blogs and social media is intended solely to provide general guidance on matters of interest for the personal use of the reader, who accepts full responsibility for its use.

Comments may be submitted. IFLA reserves the right to moderate, edit or delete comments. Publication of comments does not mean that IFLA endorses the opinions expressed.

Disclaimer Google Analytics

This website uses Google Analytics, a web analytics service provided by Google, Inc. ("Google"). Google Analytics uses "cookies", which are text files placed on your computer, to help the website analyze how users use the site. The information generated by the cookie about your use of the website (including your IP address) will be transmitted to and stored by Google on servers in the United States.

In case of activation of the IP anonymization, Google will truncate/anonymize the last octet of the IP address for Member States of the European Union as well as for other parties to the Agreement on the European Economic Area. Only in exceptional cases, the full IP address is sent to and shortened by Google servers in the USA.

On behalf of the website provider Google will use this information for the purpose of evaluating your use of the website, compiling reports on website activity for website operators and providing other services relating to website activity and internet usage to the website provider. Google will not associate your IP address with any other data held by Google. You may refuse the use of cookies by selecting the appropriate settings on your browser. However, please note that if you do this, you may not be able to use the full functionality of this website.

Furthermore you can prevent Google's collection and use of data (cookies and IP address) by downloading and installing the browser plug-in available under <https://tools.google.com/dlpage/gaoptout?hl=en-GB>.
