Please enter your password, reconfirm and click on „Create Account“
After you have successfully created your account, please proceed back to the online programme.
Having created your account, please proceed and enter your email and password accordingly.

After you have entered your email and password please click on the „Sign in“ button.
After you logged in, please click anywhere outside of the white box and embark on choosing your favourite sessions.
Use the buttons at the top left to change your view of the programme. You can expand or collapse the view or see a complete list of sessions.
Please click on the session which interests you and if you decide to add this session to your itinerary please click on the “Favorite All” button.
Adding individual presentations to your itinerary is also possible by starring individual presentations.
To view your favourite sessions and presentations please click on the „Itinerary“ button.
Here you can view all your sessions. You can export them to PDF, Word or your Outlook calendar.
Once you have generated a PDF you can zoom in and out, download or print it.
After you have generated a Word document, you can edit, save or print it.
After clicking on the „Calendar“ button your itinerary will be added to your Outlook calendar.
This way you will be able to add reminders and plan your IFLA 2019 experience.
After you have generated your itinerary and wish to sign out, please click on the “Sign out” button and then confirm by clicking here.
Thank you
