

XXV Biennial Meeting of the International  
Society for Eye Research  
February 19 – 23, 2023  
Gold Coast, Queensland | Australia

## ISER 2023 – POSTER PRESENTER GUIDELINES

Dear Colleague,

We would like to thank you for agreeing to present your poster during the XXV Biennial Meeting of the International Society for Eye Research.

The poster area will be situated in the Exhibition in Foyer E & F at the GCCEC (First Floor).

The size of your poster should not exceed 90cm in width and 150cm in height (**portrait format**).

Fixing materials will be available in the poster area.

Posters should be printed on paper (no textile), in portrait format. Posters printed on textiles cannot be accepted. Please bring your printed poster with you, as printing possibilities in this format are not available on-site.

### Text layout

Give a short and comprehensive review of the basic items of your study. Divide your text into clearly delineated paragraphs and sections such as **Introduction or Aim, Materials and Methods, Result and Conclusions**. Remember that it is easier to read a paragraph of six lines or less. Your poster text should be enlarged so that it can be read at a distance of about one meter.

### Illustration layout

Drawings, diagrams and pictures are helpful and often necessary to illustrate results and conclusions. Make sure that your illustrations are easy to understand. Do not overload charts or drawings with information.

### Poster mounting and presentation time

**Posters #1-83** will display their posters on Monday, February 20, 2023.  
**Posters #84-168** will display their posters on Tuesday, February 21, 2023.

Your paper poster should be mounted and displayed at the following times:

#### Posters should be mounted:

Monday, 09:30 – 10:00 (Material available at the Poster Help Desk – First Floor)

Tuesday, 07:30 – 10:00 (Material available at the Poster Help Desk – First Floor)

#### Posters will be displayed:

10:00 – 19:00

#### Posters must be removed:

19:00 – 20:00

Posters not removed after 20.00 on the same day will be discarded. Posters and other materials will not be sent to you after the Meeting.

XXV Biennial Meeting of the International  
Society for Eye Research  
February 19 – 23, 2023  
Gold Coast, Queensland | Australia

### Poster Sessions

All poster authors are kindly asked to be present at their poster to give a brief presentation and to answer questions by participants during the poster sessions.

Please note the following time schedule for the poster sessions:

**Monday, February 20**                      **17:30 – 19:00**

**Tuesday, February 21**                    **17:30 – 19:00**

(Your poster session is on the day your poster is mounted)

Authors who agree to have their contact details made available to delegates are asked to include the information (e.g. e-mail address) on their posters.

Please note that you must make a mention on your poster disclosing your conflict(s) of interest, or the following sentence if applicable:

Disclosures: No financial relationships to disclose

All speakers and poster presenters need to **register** for the Meeting. Name badges should be picked up at the Registration Counter located at the Main Entrance of the Gold Coast Convention and Exhibition Centre (Ground Floor).

Once more, we thank you for contributing to a successful Meeting at the Gold Coast.

Should you need further information, please do not hesitate to contact the Meeting Secretariat at [iser2023-abstracts@kit-group.org](mailto:iser2023-abstracts@kit-group.org)

With kind regards,

**Your ISER 2023 Meeting Secretariat**
