The pre-assessment of events provided on e4ethics cannot, under any circumstance, be interpreted as a judgement on the quality or content of the scientific programme, or on the quality of the speakers.

It is the company's individual decision to decide to sponsor / participate in the event. Companies belonging to the EFPIA membership should be mindful of the rules and provisions that apply when deciding to sponsor, participate or collaborate in an event.

### Pre-Assessment

19/06/2017

### Scientific Programme Schedule / Structure

It is recommended to check the rules prevailing under applicable national codes.

### Location and Venue

It is recommended to check the rules prevailing under applicable national codes.
