

Mission and Values Statement

Version	1
Modifications	
Writer	Delphine Baudouin
Validation	01/04/2022 K.I.T. Group France Management / CNES Management / IAF Management
Definition	<p>Mission: "The mission allows companies [or conferences] that wish to do so to develop a raison d'être that integrates consideration of the social, societal, and environmental impacts of their activities." (French Ministry of Economy, Finance and Recovery, 2022)</p> <p>Values: Values are a set of collectively shared beliefs that describe the behaviors essential to achieving the mission; they are the ways of being.</p>
Mission	<p>The International Astronautical Congress (IAC), which will take place from September 18 to 22, 2022, at the Paris Convention Centre, is a conference. It aims to:</p> <ul style="list-style-type: none"> - To promote the astronautical industry - Put professionals and institutions in contact with each other and with their partners - Raise awareness of space issues among the general public - Increase the value of research and innovation by allowing its sharing within the sector and beyond.

Values

Commitments

The organizers of IAC 2022 commit to at least the four core sustainability principles of ISO 20121:

- Duty of Care
- Duty of inclusion
- Integrity
- Transparency

IAC 2022 organizers have also identified two key IAC principles:

- Innovation in the organization
- Excellence

IAC 2022 is committed to doing its best toward the principle of universal accessibility.
